3 2. Page 3, line 33, before <In> by inserting <1.>

4 3. Page 4, after line 11 by inserting:

5 <2. A system-equipped vehicle's owner, or a person on
6 behalf of the vehicle's owner, shall make accessible for
7 retrieval by reasonable means any data recorded by the vehicle
8 associated with an accident in which the vehicle is involved
9 to an insurance company, or to another party on behalf of an
10 insurance company, for any purpose relating to the intake,
11 investigation, evaluation, negotiation, or servicing of a claim
12 or potential claim. The system-equipped vehicle's owner, or
13 a person on behalf of the vehicle's owner, shall provide such
14 data in a format that is consistent with the industry standard
15 for vehicle technical specifications and that is capable of
16 being consumed and downloaded by the requesting insurance
17 company or other party on behalf of the insurance company.>
